MEMORANDUM FOR: The Comptroller

ATTENTION: Mr. [REDACTED]

SUBJECT: [REDACTED] - Amendment to DD/I List of
Approving Officers submitted on 22 March 1960

1. The individuals listed on the attached memorandum to the Chief, Finance Division are to replace those OSI names on the composite list of 22 March 1960 submitted to the Comptroller in accordance with [REDACTED]. These people will have the authority to authorize all advances or expenditures of confidential funds and all obligations of vouchered funds with the concomitant responsibilities. I am assured by OSI that [REDACTED] is completely familiar with the financial set-up in that office and in many respects is more qualified to grant such approvals than some of the more senior people who do not deal on a continuous basis with the financial picture there. Furthermore, any significant actions on her part would be cleared, at least in principle, with her superiors.

2. In light of the above I think these designations make sense and reflect the selection of those people in the office who are most knowledgeable and best equipped to handle this function.
